

Kristen McKenney – Professional Graphic & Web Designer

📍 Ocala, FL ✉ contact@kristenmckenney.com 🖱 kristenmckenney.com

Creative designer with 20+ years of experience in visual design, web development, and digital storytelling. Specializing in branding, marketing collateral, and clean, user-focused websites, I bring concepts to life through thoughtful layout, sharp visuals, and accessible code. Passionate about collaborating with fast-moving teams and turning abstract ideas into real, delightful experiences.

Experience

Senior Graphic Designer & Front-End Web Developer

TJM Promos – Ocala, FL
2020 – Present

- Led design and front-end development for branded microsites, ecommerce interfaces, and event pages.
- Created marketing materials (E-blasts, social media ads, digital ads).
- Collaborated with cross-functional teams including sales, developers, and graphic artists.
- Integrated brand strategy into visuals across digital assets.

Freelance Designer

TJM Promos – Fresno, CA | Ocala, FL
2015 – Present

- Delivered branding, marketing collateral, and social media solutions for startups, nonprofits, and small businesses.
- Built client trust through clear communication and consistent design systems.

Junior Designer

Subco – Fresno, CA
2015 – 2017

- Assisted in layout design for printed and digital marketing collateral and internal communications.
- Supported senior team with asset creation for client pitches.
- Handled basic front-end updates and email templates.
